

Welcome to the Economics M.Sc. / IWG M.A.!

We, Hannah, Max and Charlotte, are your **student representatives** and offer support to all Master's students in Economics and IWG. We help you with questions and problems concerning your studies and mediate between students and teachers.

If you have any issues or recommendations how to improve the course, you can contact us any time via **email** : max.funke@uni-bayreuth.de, hannah.zeller@uni-bayreuth.de and charlotte.rehling@uni-bayreuth.de.

Any further information can also be found on our **websites**:

As every semester, we would like to offer the possibility of joining a **WhatsApp group** for the Master's IWG and Economics freshers 2022, in which questions can be answered more easily and faster. Furthermore, it's a good opportunity for you to get in contact with your fellow colleagues. Some students from the "vub" (The economic association of Bayreuth) are also in this group to help you find your way around.

You can find the group via this link:

Moreover, we would like to welcome you to the first **Master-Stammtisch** of the semester on **Saturday, the 15th of October at 8pm in Lamperie (Friedrichstraße)**. It's a great chance to get to know some fellow students and we're sure to have a fun evening. It would be great, if you could let us know in advance (e.g. in the WhatsApp group), if you want to join, as we must do the reservation.

Throughout the semester we usually organize some "Stammtische" and "Running Dinners", where we met for a delicious self-made three-course dinner. We're looking forward to these events and we already look forward to meet all of you!

Stay safe and stay healthy!

All the best and good luck with your first semester in Bayreuth!

Hannah, Max and Charlotte
